</tbody>
</table>

Note: For the 2010 financial year, the Board of Directors proposes a distribution in the form of a repayment of par value of CHF 4.50 per share instead of a dividend payment (see agenda item 2.2). As a result of the planned repayment of par value, the Board of Directors proposes that the entire profit be allocated to the free reserve and carried forward to the new account, respectively.

2.2 Reduction of share capital by repayment of par value, amendment of Articles of Association

(instead of a dividend for the 2010 financial year)

The Board of Directors proposes that the following resolutions be adopted:

a) To reduce the ordinary share capital of the Company by reduction in par value of CHF 4.50 per registered share from CHF 9.60 to CHF 5.10 per share and to pay the amount of the reduction of CHF 4.50 per share to the shareholders. The share capital
subject to the reduction consists of 32,081,054 issued shares as well as additional
shares to be issued from conditional capital in accordance with Clause 4.9, paragraph 1
of the Articles of Association up to the time the reduction of share capital is effected.
A maximum of 23,593,866 shares can be issued from this conditional capital based on
option and conversion rights. The minimum amount of the reduction of share capital
thus amounts to CHF 144,364,743, and the maximum amount of the reduction to
CHF 154,981,980.

The auditors’ report by PricewaterhouseCoopers Ltd as the state-supervised audit firm,
prepared pursuant to Art. 732, paragraph 2 OR, concluded that the claims of creditors
remain fully covered, notwithstanding the above-mentioned reduction of share capital at
the maximum reduction amount.

b) Upon completion of the reduction of share capital, Clauses 4.1 and 4.9, paragraph 1 of
the Articles of Association will be amended as indicated by the following text (amendments
in italics):

Amendment to Clause 4.1 of the Articles of Association
“The share capital amounts to one hundred and sixty-three million, six hundred and thirteen
thousand, three hundred and seventy-five Swiss francs and forty cents (CHF 163,613,375.40),
divided into 32,081,054 fully paid-up registered shares with a par value of CHF 5.10
each.”

Amendment to Clause 4.9, paragraph 1 of the Articles of Association
“The share capital of the Company shall be increased by a maximum amount of
CHF 12,032,868.60 by the issuance of up to 23,593,866 registered shares with a par
value of CHF 5.10 each to be fully paid-up, based on exercising option or conversion
rights granted in connection with the issuing of new or existing loan debentures
or similar bonds by the Company or companies belonging to the Group. The stamp
duty will be borne by the Company.”

c) The Board of Directors is instructed to implement the resolutions of the Annual General
Meeting.

Note: Distributions to shareholders can take the form of dividends or repayments of par value.
As set forth above, for the 2010 financial year, the Board of Directors proposes a distribution to
shareholders in the form of a repayment of par value, and thus the reduction of the current par
value of each share by CHF 4.50 from CHF 9.60 to CHF 5.10. This distribution will be paid
without deduction of the 35% federal withholding tax. The repayment of par value is, in addition,
not subject to federal income tax, nor, as a rule, to cantonal tax for natural persons living in
Switzerland who hold these shares as part of their private assets. Swiss capital corporations are
able to claim the participation deduction, if the market value of the shares amounts to at least
CHF 2 million.

If the proposal for the repayment of par value is accepted by the Annual General Meeting, and
the capital reduction is entered in the commercial register, the reduction amount of CHF 4.50
per share shall be distributed to those shareholders who hold Swiss Life Holding Ltd shares on
the day before the first day of trading at the correspondingly reduced par value. This distribution is
 provisionally scheduled to take place at the end of July 2011.
As a result of the reduction in the par value of the shares from CHF 9.60 to CHF 5.10, the issued and the conditional share capital will be reduced accordingly in Clause 4.1 and Clause 4.9, paragraph 1 of the Articles of Association at the time the reduction is entered in the commercial register.

3. Discharge of the members of the Board of Directors

The Board of Directors proposes that the discharge of the members of the Board of Directors with respect to the 2010 financial year be approved.

4. Transfer within equity (implementation of the capital contribution principle)

The Board of Directors proposes that the amount of CHF 256,014,134 from the free reserves be allocated to the general legal reserves (from capital contributions).

Note: The capital contribution principle in tax law came into effect on 1 January 2011. In the case of repayments to the shareholder, capital contributions paid by shareholders after 31 December 1996 will now be treated for tax purposes in the same way as repayments of share capital. Such repayments of capital contributions are no longer subject to withholding tax. In addition, the repayment of capital contributions in the case of natural persons living in Switzerland (who hold these shares as part of their private assets) is no longer treated as taxable income. In order to be able to benefit from this privileged tax treatment, the Federal Tax Administration requires that these contributions are openly declared and booked separately as “Reserves from capital contributions” in a sub-account of the legal reserves.

The Company currently has a total of CHF 1,362,510,881 in capital contributions recognised for tax purposes, which are booked in both the general legal reserves and the free reserve. In order to comply with the formal requirements of the Federal Tax Administration relating to the disclosure of capital contribution reserves, it is necessary to transfer the amount of CHF 256,014,134 in capital contributions from the free reserve to the general legal reserves (from capital contributions).

5. Elections to the Board of Directors

The Board of Directors proposes the following elections for a term of office of three years each:

5.1 Re-election of Gerold Bühler
5.2 Re-election of Rolf Dörig
5.3 Re-election of Franziska Tschudi
5.4 Election of Damir Filipovic

(See the CVs in the appendix.)

6. Election of the statutory auditor

The Board of Directors proposes that PricewaterhouseCoopers Ltd be elected as statutory auditor for the 2011 financial year.

Representation at the Annual General Meeting

In accordance with Clause 8.2 of the Articles of Association, the voting rights of each shareholder may be represented at the Annual General Meeting only by his/her legal representative or – by virtue of a written power of attorney – by another shareholder entitled to vote or by a representative of deposited shares.

Each shareholder is also entitled to appoint the management representative of Swiss Life Holding Ltd or the independent voting representative (attorney Andreas Zürcher, lic. iur., Löwenstrasse 61, 8001 Zurich) to act as his/her proxy with full power of substitution.

Unless a shareholder issues explicit instructions to the contrary, these representatives will vote in favour of the motions put forward by the Board of Directors.

Swiss Life Holding Ltd’s management representative will only represent shareholders wishing to approve the motions put forward by the Board of Directors. Powers of attorney with other instructions will be forwarded to the independent voting representative.

To grant a power of attorney, shareholders must complete the section entitled “Power of attorney and proxy” on the power of attorney and order form or on the admission card and issue instructions as appropriate. Powers of attorney on the power of attorney and order form must be returned to Swiss Life Holding Ltd, Shareholder Services, P.O. Box, 8022 Zurich, by 28 April 2011 (date of receipt). Powers of attorney granted to the independent voting representative may be sent to him directly or via the Company. Powers of attorney on the admission card (together with the voting documentation) must be received by the relevant proxy prior to the Annual General Meeting.
Vorsorgewerke (employee benefits units) in collective or common foundations of Swiss Life Ltd are not entitled to participate in the Annual General Meeting but still have the opportunity to submit votes in writing by issuing written instructions to the respective Board of Trustees.

Representatives of deposited shares are requested to inform Swiss Life Holding Ltd of the number of shares they represent at the earliest possible date, but by 4 May 2011, 12 noon, at the latest. Representatives of deposited shares are institutions subject to the Swiss Federal Law on Banks and Savings Banks of 8 November 1934 as well as professional asset managers.
